On behalf of the team at Haggerty Creek Ltd., we would like to share some staffing updates, as well as some administrative changes.

First, we would like to introduce our new Branch Administrator, Chrissy Jackson. Chrissy hails from the Oakdale area, and will be happy to field your invoicing, delivery and seed questions for you. Her email address is chrissyj@haggertycreek.com.

Second, we are happy to welcome Ryan Vandenheuvel as a Crop Specialist. Ryan has been assisting his family farm near Oil Springs, and will be helping out Alan Broad with seed, agronomy and grain sales at Haggerty. Ryan's email address is ryanv@haggertycreek.com and mobile number is 519-784-2348.

Finally, Haggerty Creek has updated its administrative options for you. First, we are now going to be accepting Online Banking as a method of payment. This will make your payments quick and easy for you.

You can set this up by searching for "Haggerty Creek" as a payee in your Online Banking platform. You will require your Haggerty Creek account number (customer ID) that is located on your invoice or statement.

We currently are accepting payments from most major banks and Credit Unions. If you have any questions or concerns, please give us a call and we'd be happy to answer any questions you may have.

Sincerely, the management team:
